# Mission & Vision

Building Excellence, One Project at a Time

## Our Mission

To deliver exceptional aluminium products and services that exceed customer expectations through innovative design, superior craftsmanship, and unwavering commitment to quality. We strive to be the preferred choice for homeowners, architects, and businesses seeking premium windows, gates, and doors solutions across South Africa.

## Our Vision

To become the leading manufacturer and installer of aluminium architectural products in South Africa, recognized for our excellence in quality, design innovation, and customer service. We aim to set the industry standard for craftsmanship while continuously expanding our capabilities to meet evolving market demands.

## Core Values

- ✓ **Quality First:** We use only the finest materials and maintain rigorous quality standards
- ✓ **Customer Satisfaction:** Your vision is our priority, and we work tirelessly to bring it to life
- ✓ **Innovation:** Continuously improving our designs and processes to stay ahead
- ✓ **Professionalism:** Expert installation and responsive customer service
- ✓ **Integrity:** Honest pricing, transparent communication, and reliable delivery
- ✓ **Craftsmanship:** Attention to detail in every project, big or small

# Services & Capabilities

## Comprehensive Aluminium Solutions

### □ Window Services

Based on your specifications, we customize windows to match your home's aesthetic and functional requirements. Our skilled installation team expertly installs your new windows, ensuring they fit perfectly and function smoothly.

- ✓ Custom aluminum windows
- ✓ Sliding windows
- ✓ Casement windows
- ✓ Awning windows
- ✓ Commercial building windows

### 🚪 Door Services

We produce doors using high-quality materials and state-of-the-art technology to ensure durability and efficiency. From residential to commercial applications, our doors combine security with aesthetic appeal.

- ✓ Aluminum entrance doors
- ✓ Sliding patio doors
- ✓ Bi-fold doors
- ✓ French doors
- ✓ Commercial glass doors

# Additional Services

Complete Solutions Beyond Doors & Windows

## Shopfronts & Curtain Walls

AAAMSA approved commercial-grade aluminium shopfronts and curtain wall systems for businesses and commercial buildings. We create impressive facades that enhance your business presence.

## Balustrades & Showers

Premium aluminium balustrades for balconies, staircases, and pool areas. Custom shower enclosures - both framed and frameless - designed for durability and elegance.

## Skylights

Bring natural light into your space with our expertly crafted aluminium skylight systems, designed for optimal light transmission and weather resistance.

## Repair & Maintenance

We believe in quality service and are committed to ensuring that your gate/door/window operates optimally at all times. We offer comprehensive repair services and expert advice on automation.

## Car Seat Repair

Specialists in repairs to the seats of any make of vehicle. Whether you need repairs for torn seats, faded upholstery, or a complete seat makeover, we've got you covered.

# Why Choose AP Manufacturers?

Your Trusted Partner in Quality & Excellence

## Unmatched Quality

We use the finest materials to construct high-quality products and ensure that your customized architectural elements not only look stunning but also withstand the test of time and environmental factors.

## Free Measurement

Are you ready to give your space the upgrade it deserves? Get in touch with us today! Just give us a call and we'll provide you with a free quotation and measurement service.

## Quick Installation

We offer professional installation services to ensure that our products are installed correctly and safely. Our team of experts will handle the installation process from start to finish.

## Committed To Work

We have committed workers who are ready to revolutionize your space with unmatched aluminium craftsmanship. Every project receives our full dedication and expertise.

## AAAMSA Approved Products

All our aluminium products are **AAAMSA (Architectural Aluminium Manufacturers of South Africa) approved**, ensuring compliance with industry standards for quality, safety, and performance.

## Custom Design Capability

Our design variety caters to every aesthetic preference, from traditional to ultra-modern. We work closely with clients to understand their vision and bring it to life through:

- ✓ Personalized design consultations
- ✓ Custom color selections
- ✓ Bespoke sizing and configurations
- ✓ Integration with existing architecture
- ✓ Modern and traditional design options

# Industries We Serve

Trusted Across Multiple Sectors

## Residential

Homeowners trust us to enhance their properties with beautiful, secure, and functional windows, doors, and gates. We specialize in custom solutions that match your home's unique style.

## Commercial

Businesses rely on our professional-grade shopfronts, entrance systems, and commercial windows to create impressive facades and secure environments.

## Construction & Architecture

Architects, builders, and contractors partner with us for reliable, high-quality aluminium solutions that meet project specifications and deadlines.

## Industrial

Industrial facilities require robust, secure access solutions. Our heavy-duty gates and doors provide the strength and reliability needed for demanding environments.

## Hospitality & Retail

Hotels, restaurants, and retail stores choose our elegant shopfronts and entrance systems to create welcoming, professional impressions.

## Property Development

Property developers trust us for large-scale projects requiring consistent quality across multiple units and buildings.

# Quality & Technology

Modern Equipment, Superior Craftsmanship

## Materials & Quality Standards

We exclusively use premium-grade aluminium that meets international quality standards. Our materials are carefully selected for:

- ✓ Durability and longevity
- ✓ Corrosion resistance
- ✓ Weather resistance
- ✓ Structural integrity
- ✓ Aesthetic finish quality
- ✓ Environmental sustainability

## Manufacturing Capabilities

Our state-of-the-art workshop is equipped with modern machinery for:

- ✓ Precision cutting and fabrication
- ✓ Custom bending and shaping
- ✓ Professional welding and joining
- ✓ Surface finishing and powder coating
- ✓ Glass cutting and installation
- ✓ Hardware installation and assembly

## Our Workshop

Modern Manufacturing Facility

Production Line

## Quality Control Process

Every product undergoes rigorous quality checks before leaving our facility:

- ✓ Material inspection and verification
- ✓ Dimensional accuracy checks
- ✓ Finish quality assessment
- ✓ Functional testing (opening/closing mechanisms)
- ✓ Final inspection before delivery

## Certifications & Compliance

**AAAMSA Approved:** Our products meet the standards set by the Architectural Aluminium Manufacturers of South Africa, ensuring quality, safety, and performance.

# Applications

Versatile Solutions for Every Need

## Residential Applications

- ✓ Main entrance doors and security gates
- ✓ Bedroom and living area windows
- ✓ Patio sliding doors and bi-fold doors
- ✓ Driveway gates (sliding and swing)
- ✓ Garden and pedestrian gates
- ✓ Balcony balustrades and railings
- ✓ Bathroom shower enclosures
- ✓ Garage doors

## Commercial Applications

- ✓ Office building facades and curtain walls
- ✓ Retail shopfronts and display windows
- ✓ Commercial entrance systems
- ✓ Security gates for businesses
- ✓ Restaurant and hotel patio enclosures
- ✓ Staircase and balcony balustrades
- ✓ Building skylights for natural lighting

## Industrial Applications

- ✓ Factory security gates and access control
- ✓ Warehouse sliding doors
- ✓ Industrial-grade fencing
- ✓ Loading bay security solutions

## Specialized Applications

**Automated Gate Systems:** Integration with electric motors and access control systems

**Security Solutions:** Enhanced security features for high-risk areas

**Energy Efficiency:** Thermal break systems for improved insulation

**Acoustic Solutions:** Sound-dampening windows for noise reduction

# What Our Customers Say

Excellence Recognized by Our Clients

## David Lewis - General Contractor

*"AP Manufacturers have become my go-to supplier for high-quality balustrades and railings. Their range of designs, from traditional to contemporary, means I can always find something that suits the style of the project I'm working on. Their commitment to using the finest materials and precise craftsmanship is evident in every piece they produce. The team at AP Manufacturers is also fantastic to work with—they are responsive, professional, and truly dedicated to customer satisfaction."*

## Client Feedback Highlights

- ✓ **"Exceptional craftsmanship"** - Quality that exceeds expectations
- ✓ **"Professional installation"** - Efficient and clean work
- ✓ **"Beautiful designs"** - Aesthetic appeal that enhances properties
- ✓ **"Great customer service"** - Responsive and helpful team
- ✓ **"Value for money"** - Quality products at competitive prices
- ✓ **"Timely delivery"** - Projects completed on schedule

## From Homeowners and Architects

From homeowners and architects to interior decorators and business owners, the feedback showcases the company's commitment to craftsmanship, quality materials, and collaborative design. Our diverse client base includes:

- ✓ Residential homeowners
- ✓ Architectural firms
- ✓ Interior designers and decorators
- ✓ Property developers
- ✓ Business owners and facility managers
- ✓ Construction companies
